

The book cover features a collage of various sculptures. At the top left is a seated male figure in a suit. At the top right is a standing male figure. In the center background is a reclining winged figure. At the bottom left is a standing female figure. In the bottom center is a winged figure on a horse. To the right of the horse is a standing figure in a long coat. At the bottom right is a tall, slender, abstract sculpture. The background is a light-colored, textured surface with faint architectural details.
